Rumour has it Artemis Fowl is responsible for every major crime of the new century.

Just twelve years old and already he's a criminal genius, plotting to restore his family's fortune with a spot of corruption and kidnapping.

Kidnapping a fairy for ransom, to be precise.

Artemis has discovered a world below ground of armed and dangerous - and extremely high-tech - fairies. But he's taking on more than he bargained for when he kidnaps Captain Holly Short of the LEPrecon (Lower Elements Police Reconnaissance Unit). For a start, fairy technology is more advanced than our own. Add to that the fact that Holly is a true heroine and that her senior officer Commander Root will stop at nothing to get her back and you've got the mother of all sieges brewing!
