Aspirational Reading

The Top 50 Books to read before you leave school

Charlie Higson's *The Enemy* is the first in a jaw-dropping zombie horror series for teens.

When the sickness came, every parent, police officer, politician - every adult fell ill. The lucky ones died. The others are crazed, confused and hungry.

Only children under fourteen remain, and they're fighting to survive.

Now there are rumours of a safe place to hide. And so a gang of children begin their quest across London, where all through the city - down alleyways, in deserted houses, underground - the grown-ups lie in wait.

But can they make it there - alive?
