

Thought for the Week: 'God's plan for us is as special as you are'

Reminders/information:

All Saints' Way - This week's All Saints' way theme is Serve! Students have worked hard throughout the academic year with fundraising. The Student Council has organised key events throughout the year and through Collective Worship in tutor time students are always encouraged to serve the All Saints' Community.

• **Student Council** - Thank you to the Student Council for their work organising events to celebrate the Queen's Jubilee. Congratulations to 8PMK and 9MMN who won the form board competition.

• **Uniform** - A reminder as the weather turns warmer, uniform must remain smart and this includes PE kit. Students are allowed to wear shorts as part of their PE kit, but please ensure these are of an appropriate length. Any student not following this part of the uniform policy will be asked to change.

- **Sports Day** This week students are signing up for Sports Day activities. Sports Day is Friday 1st July and the Houses will compete against each other: Industria, Vocare, Fortitudo and Caritas. We encourage all students to participate and represent their House.
- School Day changes We would like to inform parents about a slight change to the school day, starting from Monday 27th, June. The school day will commence, as always, at 8.55am and will finish at 3.35pm. We are returning to one-hour lessons, as was the case before the Covid pandemic. The Independent Learning Time, that we put in place to support students in their development of revision and information retention strategies this academic year, will be removed to accommodate the extension of timetabled lessons from 55 minutes to one hour. To allow for these changes, lunchtime will remain at 35 minutes and will start later at 12.55pm. To allow students to have food and drink in the morning, our breaktime will be at 11.35am. Students can use this time to buy hot food, should they need anything prior to lunchtime.

The structure of the school day, from June 27th, will be as follows -:

- 8.55 9.55am Period 1
- 10.00am 11.00am Period 2
- 11.05am 11.35am Tutor time
- 11.35am 11.50am Break
- 11.55am 12.55pm Period 3
- 12.55pm 1.30pm Lunch
- 1.30pm 2.30pm Period 4
- 2.35pm 3.35pm Period 5
- 3.35pm End of school day

Well-being:

The Chidren's Society have produced a guide: Young People's Well-being Guide for Stressful Situations. I thought this would be useful to share with you and will also be sent out to all students. To view the guide please go to the well-being section in the parent information tab on our website.

 Monitoring Equality, Diversion and Inclusion at All Saints' - We are working with other schools across our trust on a project called Equally Safe, to build on and improve our approach to tackling identitybased bullying.

We want to make sure that our school is a safe space where young people and families feel safe, welcome and able to achieve their best. In order to help us to do this, we really welcome your thoughts about how well the school is doing in promoting equality and tackling identity-based bullying.

This questionnaire should take about 5 minutes to complete and is completely anonymous and confidential. If you have any questions about the questionnaire, please contact us.
