### Prayer for Season of Creation

In this Season of Creation, we pray that you would call to us, as from the burning bush, with the sustaining fire of your Spirit. Breathe upon us. Open our ears and move our hearts. Turn us from our inward gaze. Teach us to contemplate your creation, and listen for the voice of each creature declaring your glory. For "faith comes from hearing." Give us hearts to listen for the good news of your promise to renew the face of the Earth. Enlighten us with the grace to follow the Way of Christ as we learn to walk lightly upon this holy ground. Fill us with the hope to quench the fires of injustice with the light of your healing love that sustains our common home. In the name of the One who came to proclaim good news to all creation, Jesus Christ. Amen.

Bank donations are an effective way of gifting; they reduce the need for a weekly envelope and this saves money. Please do consider giving your weekly collection by direct debit, standing order or through online banking if you do not already do so.

If you bank online, you can round up whatever you give weekly into a monthly figure or make a one-off payment. You can set up Direct Debit or Standing Orders through online banking using the bank details below:

The **SEASON of CREATION** begins on the **1<sup>st</sup> September until the 4<sup>th</sup> October**. The Masses on the weekend of the 3<sup>rd</sup>/4<sup>th</sup> September celebrated our wonderful creation. During these days we are called to listen to the voice of creation, to pray and act as good stewards of this wonderful gift. We can all pray and we can all do some small thing to care for our earth.

For more information/ideas –

This Sunday we stress the importance of prayer and how it is important to constantly repeat the word of God, “be prepared in season and out of season; correct, rebuke and encourage – with great patience and careful instruction” (2 Timothy 4:2). The Pope assumed the name Francis, as the Saint that most inspired him. Tuesday is the feast of St Francis of Assisi and let us remind ourselves why the Pope chose him.

I believe that St Francis is the example par excellence of care for the vulnerable and of an integral ecology lived out joyfully and authentically. He is the patron saint of all who study and work in the area of ecology, and he is also much loved by non-Christians. He was particularly concerned with God's creation and for the poor and outcast. He loved, and was deeply loved for this joy, his generous self-giving, his openheartedness. He was a mystic and a pilgrim who lived in simplicity and in wonderful harmony with God, with others, with nature and with himself. He shows us just how inseparable the bond between concern for nature, justice for the poor, commitment to society, and interior peace.

Francis helps us to see that an integral ecology calls for openness to categories which transcend the language of mathematics and biology, and take us to the heart of what it is to be human ..... The poverty and austerity of Saint Francis were no mere veneer of asceticism, but something much more radical: a refusal to turn reality into an object simply to be used and controlled.

**To do:** Take 10 minutes each day to pray – that all people will do all we can to care for our creation and take time to appreciate creation.,
