## Ofsted Inspection

**'All Saints' Catholic Voluntary Academy continues to be a good school'**

Ofsted Inspector February 2022

### What is it like to attend this school?

Leaders have high expectations of all. Pupils, including sixth-form students, respond well to this challenge. They are determined to succeed. Pupils often work with great concentration in lessons. They achieve well. Staff model the considerate behaviour they want pupils to have. Pupils have excellent manners. They will, for example, readily hold open doors for visitors. Pupils are happy at school. They feel safe. Pupils say they always have someone to turn to if they have a problem. They behave well in classes and at breaktimes. Pupils follow the 'All Saints Way', the school's approach to good, caring behaviour. They show respect to everyone in the school community. Most pupils agree that bullying is rare. They say that if bullying does take place leaders deal with it well. This is a highly inclusive school. Pupils of all faiths or no faith feel included in school life. One pupil reflected others' views by saying, 'This is a school where people get on.' Pupils benefit from the values the school promotes, such as kindness and compassion. They raise funds for many charities, including the British Heart Foundation and CAFOD (Catholic Agency for Overseas Development).

Pupils have excellent manners.

Leaders offer a wide range of opportunities for pupils to develop their interests .

Staff work together as a team to ensure pupils are safe.

Pupils say they always have someone to turn to if they have a problem.

Pupils are happy at school. They feel safe.

Pupils have many opportunities to think about social, moral, spiritual, and cultural issues as they learn .

## Transition Support

Between the October half term holiday and Christmas holiday and then later in the year, between the February half term and Easter holiday I make myself available to all Catholic partner schools and some of the larger local primary schools. This means that, at the request of the school, I am able to drop in to meet and support youngsters in a range of different ways. This often means making a presentation in an assembly, but could also include working in the classroom with different groups of children in any year group, supporting them to be secondary- ready when the time arises.

### During Year 6

Mrs Harris visits all partner schools and some of the larger local schools (virtual or physical) to talk to students about life in secondary school. Students are encouraged to make use of activities on the All Saints' Transition section of the website as well as to begin their folder of secondary-ready evidence. Mrs Harris works closely with all primary schools who have children securing a year 7 place. Information is shared regarding every single child joining us to ensure all needs are met and a smooth transition is facilitated.

Students joining us from non-Catholic primary schools are invited for a Catholicity session to help them to understand what it means to be joining a Catholic school and community.

This is lead by our school Assistant Chaplain and Father John.

Students on the SEN register are invited for additional visits when it is deemed appropriate.

## Attendance

- It is important for your child to regularly attend school for a variety of reasons - the learning and social skills developed, and for their confidence and self-esteem.
- Your child might miss school due to sickness or a hospital appointment but holidays should not be taken in term time. There are very few reasons a Headteacher can authorise a child being off school.
- Unauthorised absences may result in a penalty notice being given which is currently £120 (or £60 if paid within 28 days).
- Our attendance target is 95%.
- If your child is going to be absent, please inform school using the Arbor App providing full details or by calling the school. A phone call / home visit will be made if we have not received any information that explains your child's absence by 9.30am.
