

Annex 2d: Pupil premium strategy statement (secondary)

1. Summary information					
School	All Saints' Catholic Voluntary Academy				
Academic Year	2020-2021	Total PP budget	£160,444 (plus £14633 LAC)	Date of most recent PP Review	March 2020
Total number of pupils	1095	Number of pupils eligible for PP	201 (Y7-11)	Date for next internal review of this strategy	Jan 2021

2. Current attainment (2019 summer results)		
	Pupils eligible for PP (your school)	Pupils not eligible for PP (national average)
% achieving 9-5 incl. EM	33.3	57.2
% achieving 9-4 in English / Maths	57.6	81.2
Progress 8 score average	0.3	0.6
Attainment 8 score average	4.4	5.6

3. Barriers to future attainment (for pupils eligible for PP)		Data sources that can help you identify barriers to attainment in your school include: RAISEonline; the EEF Families of Schools database; FFT Aspire; staff/ pupil consultation; attendance records; recent school Ofsted reports; and Ofsted guidance.
In-school barriers <i>(issues to be addressed in school, such as poor literacy skills)</i>		
A.	Pupils identified as 'Pupil Premium' do not make the same progress as those identified as 'Non-Pupil Premium'	
B.	Some students have behavioural, emotional, social and mental difficulties	
C.	Some students lack knowledge of knowing what and how to revise and have a lack of equipment and resources to engage in learning	
D.	Some students' have low aspirations and do not access in school opportunities to develop their cultural capital	

E.	Some staff lack knowledge of T&L strategies used to ensure progress is made	
External barriers (issues which also require action outside school, such as low attendance rates)		
D.	Attendance rates for pupils identified as 'Pupil Premium' are lower than those identified as 'Non-Pupil Premium'	
E.	Lack of opportunities for enrichment to raise aspirations and develop cultural capital outside of school	
F.	Poor parental engagement from some parents of pupils identified as 'Pupil Premium'	It is not essential to identify four desired outcomes; focusing on fewer aims in more depth is encouraged.
G.	Loss of learning and individual barrier due to COVID-19	
4. Desired outcomes (desired outcomes and how they will be measured)		Success criteria
A.	<ul style="list-style-type: none">Embed high expectations with regards to Behaviour and Culture – students are taught explicitly what good behaviour looks like. Good habits shaped and bad ones challenged.	Increase the attendance of all PP students to fall in line with the whole school target of 97% Reduction in behaviour points by 10% Increase in conduct points by 10% Increased number of PP students accessing rewards by 10%
B.	<ul style="list-style-type: none">Through high quality instruction and an 'ambitious knowledge curriculum', All Saints' PP gap is reduced as mentioned in success criteria.	Year 11 GCSE results in 2021 demonstrate no more than a 15% gap between PP and non-pp students for: - Grade 4 in English and Maths in relation to FFT20 Targets
C.	<ul style="list-style-type: none">Through High quality instruction and an ambitious knowledge curriculum, to maintain whole school outcomes in line with 2019 results.	Summer 2021 Targets: P8: -0.2 gap V Non-PP students Summer 2020 results: P8: -0.3 gap and target of -0.1 In school gap v national 0.3 target 0.5 Summer 2019 results: P8: -0.8gap and target of -0.5 In school gap v national -0.2 and target was 0.1
D.	<ul style="list-style-type: none">To develop fluent literacy and numeracy skills to ensure key stage 3 students are examination ready.To develop confident and fluent readers, writers, and mathematicians.To ensure that students have access to a wide academic vocabulary, to enable them to access the KS4 curriculum.	Students whose Reading age is below the age-related expectations in Year 7, improve their level of reading commensurate with their respective age. GL assessment data: HT2 – 59% scored 90 and below for their Mean SAS (Scaled scores) National Average of 95-105 (covering

		verbal, numerical, non-verbal and spatial reasoning) – reduce this to 0%, ensuring all students achieve 95+ Y7-8, PP students achieve in line with non-PP students in assessments during whole school assessment points.
E.	<ul style="list-style-type: none"> To address individual barriers where financial, parental or any other individual barriers exist. 	PP students are all able to access every Cultural Capital opportunity All Students have the correct level of equipment to support their learning. All students wear the correct uniform. All students can use school or public transportation.
F.	<ul style="list-style-type: none"> To increase the number of PP students developing their personal development, to raise their aspirations thus enhancing their appreciation and understanding of cultural capital activities. Teach students powerful and culturally rich knowledge that they might not otherwise access. 	NEET figures for PP students are in line with non-PP students Reduction in behaviour points by 10% Engagement with extra-curricular activities is the same from PP and non-PP students
G.	<ul style="list-style-type: none"> To provide suitable provision to support students with behavioural, emotional, social and mental difficulties 	Student voice demonstrates a positive response to all aspects of school life (rewards, behaviour, T&L, MH and Wellbeing)

<p>1. Reduce the All Saints' PP gap vs National to no more than 15% in relation to students achieving a Grade 4 in English and Maths</p> <p>£1933</p>	<p>1. Quizzing is taking place in the vast majority of lessons. 2. Consistency in terms of topics taught in many subjects and staff are following long-term plans. 3. Marking often gives clear and actionable targets for students to improve their work. 4. Questioning is probing in many areas and students are encouraged to elaborate on their answers. 5. Exposure of students to exam questions and expectations regarding exam technique. <p>Areas to develop:</p> <ol style="list-style-type: none"> 1. Students are not always responding to teacher marking. Needs consistency regarding use of green pen, highlighter and verbal feedback / feedback and improvement. 2. Disparity in work rate and quality of work between girls and boys in some curriculum areas. 3. Misconceptions from formative assessment and quizzing are not always built upon, often meaning that students are not aware of how to improve their work or that re-teaching of areas causing difficulty is not taking place. 4. Lack of prior knowledge quizzing and interleaving seen so far (but early on in year). 5. AS absolutes must be out on desks. <p>Lesson visit feedback, Jan 2020:</p> <p>Strengths:</p> <ol style="list-style-type: none"> 1. Long term plans being followed consistently in many subjects. 2. Questioning and modelling practice is improving in many areas resulting in students giving more detailed responses and understanding how to access higher level activities. 3. In some areas, teacher feedback is very thorough, and students respond to this well. 4. In some areas, ASA are used effectively to support learning. 5. In some departments, teachers are finding effective ways to check student understanding and address areas of misconception. 6. Consistency in use of approaches shared through CPD, briefings, research and working group (e.g. cold call, probing questioning, checks for understanding) is improving. <p>Please reflect on how they can contribute to your practice.</p>
<p>2. Support all students to retain and re-activate knowledge, through using, the knowledge organisers (AS absolutes)</p>	<p>2. Tutor and classroom teacher support to ensure the effective use of the All Saints' absolutes</p> <p>Staff CPD using Twilight and TLC group to SGP</p>

Staff use of the strategy sheets and the ACHIEVE concept (Know Your Cohorts) to support PP students within lessons</p> <p>Staff CPD using Twilight and TLC group to SGP</p>	<p>Areas to develop:</p> <ol style="list-style-type: none"> 1. Consistent application of school marking and assessment policy. 2. Pre-empting and planning of key questions and worked examples to address student misconception. 3. Consistency of approaches to tracking quiz scores and student understanding and subsequent use of lesson time and revision to address issues. 4. Questioning and modelling best practice (e.g. cold calling, wait time, call and response, use of worked examples / visualiser) to be shared across school. 5. Balance of prior knowledge quizzing and everyday quizzing needed. 6. Are students being given enough time to respond to feedback? 7. Are assessment scores and targets from feedback recorded on trackers? 8. Opportunities for students to demonstrate understanding and reflection on progress / understanding needs to be more evident in some areas. <p><u>Data collection:</u></p> <p><u>Y9: Spring 2020 (27/2/2020)</u> % G4 in English and Maths: PP = 46 / Non-PP = 73.1= difference 27.1</p> <p><u>Y10: Winter 2019-2020</u> % G4 in English and Maths: PP = 46.9 / Non-PP = 72.1 = difference 25.2</p> <p><u>Y11: Autumn 2019-2020</u> % G4 in English and Maths: PP = 57.6 / Non-PP = 84.8 = difference 27.2% <u>results 2019 difference was (PP 38.5 v Non-PP 76.3 = 37.8)</u></p> <p>Winter 2019-2020 % G4 in English and Maths: PP = 51.5 / Non-PP = 76.1 – difference = 24.6%</p> <p><u>Summer 2020 results</u></p> <p>% G4 in English and Maths: PP = 57.6 / Non-PP = 81.2 – difference = 23.6%</p>
