	w/c 30 th September	w/c 6 th January	w/c 24 th February
Language: German	In half term one students are assessed on their extended writing skills by sitting a full writing paper. Students have been well prepared for this paper over the last 2 years and have a good understanding of the questions included in the exam. They should use accurate grammar, syntax and spelling as well as include higher level language for the higher marks. Students will be given the topics to revise for but they will not see the actual questions so that this assessment mirrors the actual exam. They will also sit a listening and reading paper in line with the whole school mock exam calendar.	In half term 3 students will take a full mock speaking exam where they are required to reproduce pre learned answers which they have been preparing over the past 2 years. This will involve a great deal of home learning but time will also be given in lessons to work in pairs and test each other. Students complete a photocard task, a role play and then a general conversation using their pre learned answers.	In half term 4 students are assessed using a full suite of exam papers to include reading, listening and a writing paper in line with the whole school mock exam calendar. They demonstrate their ability to understand and respond to different types of spoken and written language and apply exam skills to both familiar and unfamiliar contexts. Learning vocabulary German to English on a regular basis is essential preparation for these papers. In the writing paper they demonstrate the skill of using accurate grammar, syntax and use of higher-level language.
	w/c 30 th September	w/c 6 th January	w/c 24 th February
Art	During half term 1A, pupils will produce a body of work in order to meet a graphics design brief "The Deep". The mini project is designed to give them experience of producing work under timed conditions emulating the real exam unit experience they will face in Jan 2024. Pupils must demonstrate that the body of work they have produced meets the three assessment criteria of the exam board:	During half term 1B, pupils produce a painted poster under examination conditions over a two-day period (10 Hours). Students will need to demonstrate their knowledge and application of the all the formal elements of art and design but in particular their ability to confidently paint using Gouache. All work produced so far from this academic year, Y10 and Y9 known as coursework will also be used to inform the overall holistic grade expected to be achieved. Note Coursework accounts for 60% of the final GCSE Art and Design grade.	Note deadline for coursework to be completed and submitted is Monday January 6th 2025. During half term 2a Pupils work on their exam project. Note This separate project accounts for 40% of the final GCSE Art and Design grade. Pupils produce a body of work in order to meet a given theme provided by the exam board. Once again pupils must demonstrate that the body of work they have produced meets the assessment criteria of the exam board (see Summative One). Will be completed in May 2025 half term 3a. The deadline for exam work will be May 2025: the exact date will be communicated to pupils nearer the time.
	Week beginning 11.11.24 - Holistic Coursework grade given.	Week beginning 13.01.25 - Exam unit working grade given.	Week beginning 19.05.25 grades will be submitted to the exam board.
Music	During term 1, students will sit a full GCSE paper which will cover all areas of study.
