- Being an example of healing, compassion and support for the most vulnerable in our society

1. Introduction

1.1 The Trust recognises that the participation of the Trust and each academy in community life is vital to ensure children, young people and adults have access to a range of activities and experiences promoting learning and development.

The Trust acknowledges and accepts its duty under the Health and Safety at Work Act 1974 and subordinate health and safety legislation and acknowledges the requirement to ensure that participants are kept safe whilst on visits and journeys away from their normal place of attendance.

This policy sets out the organisation, scheme of delegation and procedures for managing and authorising third-party lettings at Trust sites.

1.2 Safeguarding Statement: (KCSIE 2021)

Our Lady of Lourdes Catholic Multi Academy Trust (LOL CMAT) Executive Board recognise their moral and statutory responsibility to safeguard and promote the welfare of all pupils together with each School Local Governing Body.

Where a school hires or rents out school facilities/premises to organisations or individuals (for example to community groups, sports associations, and service providers to run community or extra-curricular activities) they should ensure that appropriate arrangements are in place to keep children safe.

The school will seek assurance that the body concerned in any letting has appropriate safeguarding and child protection policies and procedures in place (including inspecting these as needed) as laid out in this policy; and ensure that there are arrangements in place to liaise with an LOL CMAT school on these matters where appropriate. Failure to comply with the safeguarding and child protection policies and procedures will lead to termination of the agreement.
