Reading eggs

Every Tuesday and Wednesday, during tutor time, our Reading Eggs group meets. At the end of last term, the children involved in Reading Eggs were awarded certificates and prizes for their hard work and dedication.

They have all worked incredibly hard, but the following children managed to collect the most eggs in each year group.

2nd Oliver S 13,143 eggs

Year 9

Huge congratulations to Victoria and Osman.

To collect over 100,000 eggs is absolutely incredible and shows the amount of time they have both spent working on Reading Eggs.

Well done to both.

Helping Your Child Love Reading

Top Tips for Supporting Your Child's Reading at Home

- 1. Make Time to Talk About Books** Encourage your child to discuss what they're reading - characters they like, plot twists, or new vocabulary. Even a 5-minute chat builds connection and comprehension.
- 2. Let Them Choose** Support their reading preferences - graphic novels, audiobooks, magazines, and non-fiction all count. Ownership leads to engagement.
- 3. Be a Reading Role Model** If your child sees you reading regularly - whether it's a book, newspaper or recipe - it helps normalise reading as part of everyday life.

- 4. Set Small Goals** Help them set achievable reading goals, like reading a chapter a night or finishing a book by the weekend. Celebrate small wins.
- Use Technology Wisely** If your child prefers screens, try e-books or apps like Audible or BorrowBox to keep them engaged.
