*Progress 8 is a measure of the progress of pupils from the end of primary to the end of secondary school. It compares the attainment of pupils across eight subjects at the end of KS4. Any score above 0, demonstrates pupils make more than expected progress. Due to Covid, the KS2 SATS were cancelled in 2020 and 2021, this has affected the Progress8 measure for 2025 and 2026.

**Ebacc is a school performance indicator linked to the following GCSEs: English, Maths, Science, Humanities, Modern Foreign Languages and Computing.
