**Conduct points:** 87% of PP students attended all Teams lessons during Lockdown. **Average conduct points for students 2020-2021:** PP = 30.1 average per student v Non-PP = 39.6 average per student

### Ambitious Curriculum £21,306

#### Summer 2021 results:

P8: -0.5 gap and target of -0.4  
In school gap v national 0, target 0.1

#### Summer 2020 results:

P8: -0.3 gap and target of -0.1  
In school gap v national 0.3 below target 0.5

### Key Stage 4 academic mentor £21,306

- May 2021: 60% of students reduced the number of subjects in which they were under performing.  
- Student voice comments following sessions: I can organise my work for all subjects. I have an understanding of revision strategies and how to apply them. I am able to meet all homework deadlines.

See school data in 'Ambitious curriculum section'

### Key Stage 3 Academic mentor

Appointed to start September 1st 2021

### Attendance monitoring

£6465

#### Attendance data:

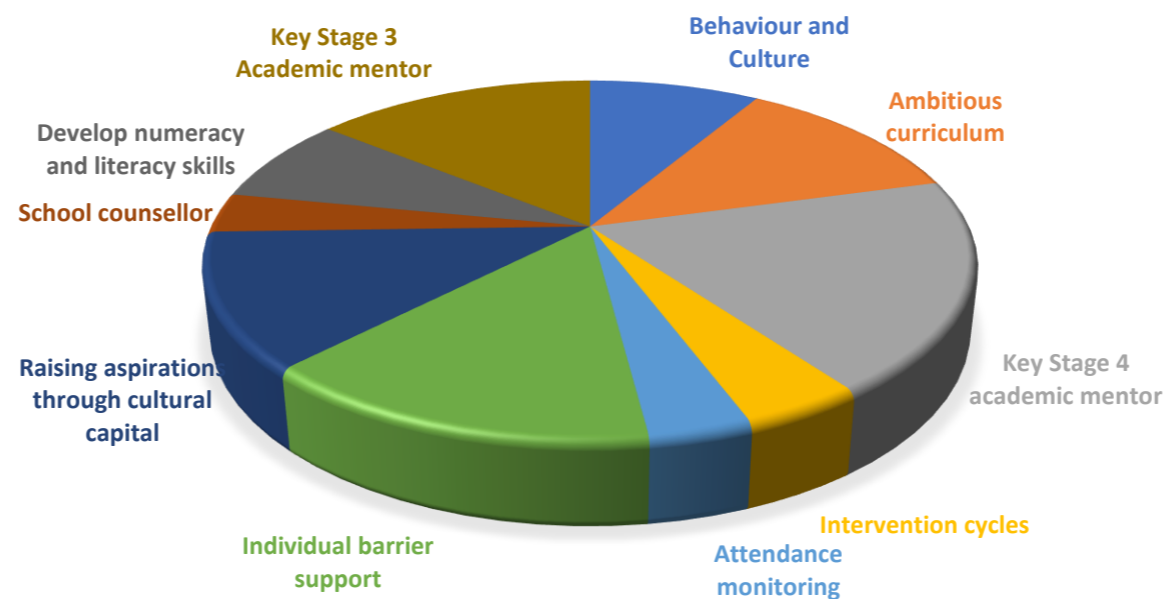

92.57% in 2020/21 v 93.85% in 2019/20.

22% PA in 2020/21 v 19.49% in 2019/20.

**Gap:** 3.85 2020/21 v 1.77 in 2019/20.

**2018-19 v 2020-21:** all years are below school target of 97% but improved from 2018-19

### PUPIL PREMIUM SPENDING: 2020-2021 IMPACT

### Developing literacy and numeracy skills £13,601

- 38 PP students tested September 2020 and July 2021. 61% of Year 7 pupils have now improved their reading age.

- These improvements will impact directly across the whole curriculum (increased reading age = improved A8/P8 and Basics) as they can further unlock the curriculum.

- GL assessments conducted for all year 7 students

### Intervention Cycle £7,576

**Year 10:** 82% of students grades either improved or remained the same. The student voice outlined that they generally enjoyed the online sessions (77% yes/maybe) and helped them with class and homework (74% yes/maybe).

**Year 7:** 86% of student grades improved or remained the same in English, with 2 additional students improving exceeding their target (4 / 29% in total). Students appear to have improved more in English language compared to Maths. 75% of students remained on or above target for Maths.

**Student feedback:** Tutor was nice, it helped me, I got to know what I am doing, 1 to 1 support helped me understand, he gave me good feedback, nice atmosphere, I have more confidence, it made my proper maths lessons more understandable, increases your knowledge, helps accuracy of spelling, gave me good feedback, shows you how to use different vocab.

### School Counsellor £6200

8 PP students last academic year. They were offered a total of 80 sessions. Students had between 6-19 sessions, linked to need and attendance. Student voice taken at the end of block of sessions, 86% felt understood, calmer/less stressed and that they could speak more freely. 71% had a better understanding of themselves. 43% Had new strategies that they felt helped to manage their behaviour.

### Raising Aspiration through cultural capital - £21,306

**HT1-4 2020-2021 academic year:** Enrichment was not operating.

2020-2021: Cultural Capital and residential trips cancelled.

HT5-6 2020-2021 academic year: Enrichment was not operating for all year groups across all opportunities.

**Rewards day trips accessed by PP students:** 694 total – 132 were PP students accessing trips to Drayton manor, Bowling, ice skating and Party in the park.

### Individual Barrier Support - £25 245

See attendance figures under **attendance monitoring**.

#### Wellbeing support – annual wellbeing survey results, July 2021

70-90% of students feel they are getting a good education

66-87% of students are able to do most things as well as they want

74-88% of students are happy with the friends they have

**Laptops lent to students:** 22PP students out of 30 Non-PP students

**Purchase of equipment:** Purchase calculators for students without a scientific calculator.
