

## GENERAL CONSENT FORM – TRIPS and OFF-SITE ACTIVITIES

Written parental consent is not required for the majority of off-site activities offered by the school. Activities that are part of the school's curriculum, local and take place during the normal school day do not require parental consent.

For trips that take place outside of school hours, involve longer travel times or are more, "adventurous", in nature parental consent/permission is needed before the student can take part. Most parents/guardians find it easier to give us blanket permission for these trips and remove the need to complete consent forms for each individual trip. You can give or withdraw this blanket consent by ticking the boxes below, as appropriate. You may update your consent by writing to us at any time.
